

WILLOW TREE HOUSE

Named after the beautiful tree that grows in its grounds, Willow Tree House sits less than a mile from the heart of Mansfield. Since 1998, we have been dedicated to providing high quality care and accommodation in an environment that feels genuinely comfortable, warm, and welcoming. Our home offers a comprehensive range of care — including nursing, residential, dementia, and respite care — tailored to meet the needs of every individual we support. We are deeply proud to be part of the local community and look forward to continuing to care for its residents for many years to come.

Excellent facilities

Willow Tree House is able to accommodate eighty residents in a unique combination of traditional bedrooms and apartment style care suites. All rooms and suites are individually decorated and have high quality furniture, fixtures and fittings. The care suites offer more space and are suitable for those who remain independent in spirit but, with age, may find certain aspects of daily life becoming more challenging, and therefore need the support of a care home environment.

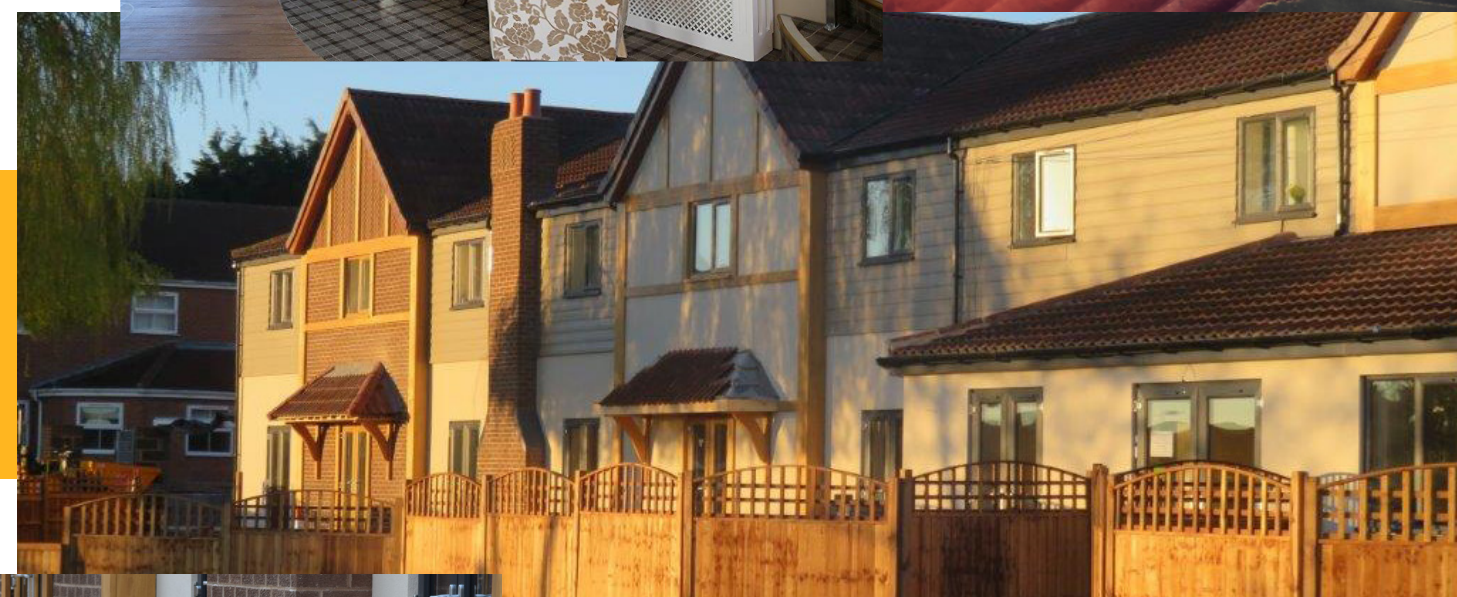

Residents are encouraged to personalise their rooms with favourite possessions, treasured photographs, or perhaps a well-loved chair they have enjoyed for many years, helping to create a true home-from-home environment where everyone feels comfortable and settled.

The home offers several sitting areas and individually styled lounges, providing plenty of choice for residents who may wish to relax quietly or enjoy conversation with others. There are also more peaceful spaces available for those moments when someone would prefer a little time to themselves or wishes to spend time privately with family and friends. Complementing the welcoming interior is a beautiful fully enclosed patio area, designed so residents can enjoy the outdoors safely and comfortably at all times. Raised flowerbeds filled with colourful displays bring the space to life throughout the Spring and Summer months, and when the weather is warm, the patio becomes a wonderful suntrap for residents to relax and enjoy the sunshine.

A great atmosphere

At Willow Tree House, our dedicated team works tirelessly to create an environment where residents can truly enjoy life to the full. Visitors frequently remark on the warmth and happiness they feel when they walk through our doors, and on the strong sense of community that makes Willow Tree House such a special place to call home. We are committed to ensuring that everyone feels valued and embraced as part of a loving, caring community — where no request is ever too much trouble. This not only brings comfort and joy to those who live here but also offers genuine peace of mind to families and loved ones.

Leading life to the full

Every day at Willow Tree House offers something different for residents to enjoy and take part in. Activities are thoughtfully planned around individual interests and preferences, whether that means a game of dominoes, puzzles, cards, a cheerful singsong, or some gentle exercise. We aim to create a relaxed and enjoyable atmosphere where everyone can join in as much or as little as they wish.

Alongside the activities within the home, we regularly organise outings so residents can continue to feel connected to the vibrant local community around them. Some trips may take us further afield to places such as the Peak District, while others might simply involve a visit to the town centre for shopping or a relaxing trip to the local pub. Whatever a resident's interests, there is always something to look forward to and enjoy.

A dedicated team

Delivering high-quality care does not happen by chance. At Willow Tree House, we are proud to have an experienced and dedicated team who have been chosen not only for their professional skills and knowledge, but also for the warmth, kindness, and compassion they bring to their roles every day.

We believe it is important that every resident feels valued, respected, and cared for with dignity at all times, with their wellbeing always at the heart of everything we do. Our staff are committed to creating a welcoming and supportive environment where residents can feel safe, comfortable, and as happy as possible during their time with us.

Good food is important

We believe that mealtimes and good food play an important part in daily life and wellbeing. Lunchtime is often a sociable occasion, when residents can come together, enjoy good company, and share conversation in a warm and welcoming atmosphere. All of our meals are prepared using quality ingredients, and we work hard to provide balanced, nutritious menus that residents can look forward to each day. At the same time, we understand that everyone enjoys a special treat now and again. If there is something a resident particularly enjoys, perhaps a much-loved favourite meal or dessert, our cooks will always do their very best to include it on the menu whenever possible.

We hope you will enjoy visiting Willow Tree House, and our team is always available to help and support you in making the right care choice for you or your loved one. Please do not hesitate to get in touch — we are always happy to help.
